

Announcing DrDiab.info - YAXS

NEWS\_PDF\_AUTHOR: rabideau

NEWS\_PDF\_DATE: 2006/5/5 17:48:21

Hello all,

Please visit my latest Xoops 2.0.13.2 downgrade (yes, I'm almost all the way to supported versions of Xoops!).

The site theme is based on studioC's fine work with about 50% additional hacks (I'm not much of a programmer) 😊

Anyway, please stop by take a look and let me know what you think.
