Articles 1.02 and AM Reviews preview released - Modules

NEWS_PDF_AUTHOR: AndyM

NEWS_PDF_DATE: 2006/5/12 20:23:29

I have released a maintenance update for my Articles module, this is to fix some problems with the display of HTML and XOOPS codes in the two main latest/popular blocks.

Also, a preview of AM Reviews has been released. This is not meant for production/live web sites and only for evaluation, etc., only.

Download Articles v1.02 from
here.
Download AM Reviews preview from here.
