We are really proud to present you the brand new website, of the german party Aktionsgemeinschaft Buergerbuendnis-Berlin (I want to see who can say this 🇩🇪).

It is a little party, but they can get a lot of votes. In September we have local elections in Berlin.

I know that the most of you can't speak german. But of course you can visit the site even so.

Enjoy it. I hope you like it.
