

gunmetal theme - Themes

NEWS_PDF_AUTHOR: Will_H

NEWS_PDF_DATE: 2006/5/18 0:05:15

This Theme CORE Was originally a Montis Arts work. We all remember the Core Montis Themes.

I have taken his code and W3C Validated it. I have also redesigned all of the graphics, to make this theme look crisp and clean, while still offering a gamers touch.

Enjoy this as it is the first of many Montis Modifications I will be distributing.

Original Code by Montis (<http://www.montisarts.com>)

Recoded and redesigned by DNA Gamer (<http://www.dnagamer.com>)

Image:

Get it [HERE](#)

I hope you enjoy it!
