Hello everyone,

I want to present my site to the xoops community.

EventSpeak.com

This site is a community site for Event Marketers. Those people that hand out free things on the streets and much much more.

Any feed back would be gratefully appreciated and welcomed. Please use the contact us or email me at admin@eventspeak.com

I want to thank 3 people who have helped me get this site to where it is today. Listed in no particular order

James Morris from <http://mywebresource.com> he helped with SEO and alot of the Detailed design work of the site. He also helped optimise the database and is a world of knowledge. Thank you for all your help. I look forward to a continuing relationship.

John Seymour from <http://www.warpigw2.com> Not only did he move the site from shared hosting to my New dedicated server. He also apraded Many of the modueles and Tweaked many of the Modueles. Thank you again John.

The <http://www.xoopsdesign.com> team designed 3 different themes over the past 8 months. They are very easy to work with and are willing to go above and beyound to make their client happy.

Last but not least thank you to everyone in the xoops community. You have all been great.
