

new module: usermap 2.1 - Modules

NEWS_PDF_AUTHOR: CONFIQ

NEWS_PDF_DATE: 2006/6/10 13:10:26

Originally from [guestmap](#) by [frankblack](#). He adopted from [brainerror.net](#). The differencee between my version and franks that my version force to be register before putting icon on the map. I also fixed some errors on MSIE. This is no project so there is no ChangeLog! Enjoy
