newbbdots_1_0 - Hacks

NEWS_PDF_AUTHOR: studioC

NEWS_PDF_DATE: 2006/6/17 11:03:24

While working on a theme I had to create some new images for newbb because the colour did not fit the new layout. I made some simple dots on a 23*11 px background transparent. You can view them running on testforum of my demo site. Grab them, when you like them and download ZIP version of newbbdots_1_0!
