The winner of our "**XOOPS Site of the month contest**" for month MAY 2006 with 38% of all valid votes is [VETOFISH](#) Some comments to vetofish-website given by our visitors: + I like it's originality, the way how it manages content and all it's features. + What do YOU love most of YOUR favourite Site? This was a tough choice but I have to say my reason for choosing Vetofish was because of it's graphics. I like the layout but the style of the design makes me feel as if I'm using a local program. Simple yet effective. + The design is polished and pleasing to the eye. It doesn't look like, yet another XOOPS site. Well done! Read more about the results of May on [XOOPSFACORY!](#) Btw.: You can submit Your nominations for the next votings. We have still some place in our database left.
