

Girls Club II : Shopping - Themes

NEWS_PDF_AUTHOR: msdana

NEWS_PDF_DATE: 2006/7/20 1:53:56

Those wacky girls are back, doing what girls do best -- SHOPPING!

Girls Club II : Shopping is a free, fun, fixed three-column theme designed for Xoops 2.0.14, though it should work in earlier versions as well as 2.2.x. It has been tested in Internet Explorer and Firefox.

You can preview and download this theme at [Graphic Worx](#). You will need to register in order to download the theme.
