Omnetwork.net Xoops Theme #5 - Network solutions - Themes

NEWS_PDF_AUTHOR: hardyvoje

NEWS_PDF_DATE: 2006/7/25 13:06:35

This is 5th omnetwork.net Xoops theme.

ZIP file contains two folders:
om5 - is theme folder, upload it to yoursite/themes folder
resources - contains PSD file of header used in this theme

It is based on Omnetwork Theme #3 and #4 but new image of joung business man and in green-blue colors as requested by users.

Feel free to comment this theme and post your theme request, I'll try to make themes for you (if you don't request something really heavy ;))

It is stretchable theme suitable for professional usage. Use this theme how ever you like, as all other resources available here.

preview:

Download page

You'll have to register to download. Registrated users have access to 250+ photos and other downloads.
