Dear friends,

I'm glad to inform you that free design resources portal OMNetwork.net (powered by xoops 2.2) reached 1050+ users.

The most users registrated last week (about 300) are from www.xoops.org and sites dedicated to xoops that transmitted news about free xoops theme serial via xoops news network. (XNN :))

Now we have:
7 free Xoops themes (going to be 10 in few days)
270+ photos and illustrations
40+ free downloads: templates, themes, 3d models, sounds and loops
55+ unique tutorials covering Photoshop, 3D studio, Flash, Dreamweaver etc.

All downloadable resources are Public Domain, you can use them in commercial and non-commercial projects!

Thanks for support!
