Our XOOPS SITE OF THE MONTH CONTEST for month July 2006 is open **NOW**. This month we have only 4 nominations but some nice examples of xoops usage as we think.

Please take some time to browse through the [nominations of July 2006](#) and [submit your voting](#) until the 23th of august.

By the way, you are invited to submit your nomination for the next months too. The winner will be listed in our footerlinks, the footer of fame. 😊
