Jeune Maroc - YAXS

NEWS_PDF_AUTHOR: Arabsys

NEWS_PDF_DATE: 2006/8/31 14:21:28

Jeune Maroc, l'espace des jeunes marocains, is a moroccan french portal using xoops cms.

we found that xoops is easy to administrate, that's why we choose it, the modules can be made easily, we have made two personal modules in a week (that's a short time for a beginner) 😁

so thanks to the developers and the supporters of xoops 🙂

and good luck

[Jeune Maroc, l'espace des jeunes marocains](), is a moroccan french portal using xoops cms.

we found that xoops is easy to administrate, that's why we choose it, the modules can be made easily, we have made two personal modules in a week (that's a short time for a beginner) 😁

so thanks to the developers and the supporters of xoops 😊
