

Xoops Themes Help at Liciniosoares.com - Themes

NEWS_PDF_AUTHOR: ljssoares

NEWS_PDF_DATE: 2006/9/24 12:20:28

I know it can be difficult to create a Xoops theme, but after learning some of the ins and outs to create my own theme, I have decided to share what I have learned with those interested.

I will try my best to find answers for those who are having problems with their Xoops Themes. All of you that are looking for help are welcome to take a visit to Liciniosoares.com and post your question in [Web and Graphics Forum](#).
