Dear Xoopers

Omnetwork team released Future of Portals theme serial

In zip file you have another zip with .PSD template with layers to maximize customization abilities.

Just upload content of smaller zip (inside one you've downloaded) in your site / themes folder. Make sure you've created new folder - name it how you want.

- Fixed width (750px)
- Feedback is welcome !
- Free registration required
- With registration you gain access to plent of cool stuffs on <http://www.omnetwork.net>

Hope you'll like it!
