

Two Old Games for Xoops - Modules

NEWS_PDF_AUTHOR: wizanda

NEWS_PDF_DATE: 2006/10/10 18:50:00

Just to announce [Zsnake](#) a modified messed up version of snake to improve on eyesitez or not 🤖

The ancient board game [Go](#) a Selection of some of the best tournaments and places to play as Java-webstarts, a built in guide and quotes from go masters, all hidden in a single page of Zen-html.

You can download both of these [here](#)
