Omnetwork.net, Xoops based design portal reached 2000+ users today!

In future I'll focus on providing more themes and templates for open source content management systems like Xoops, Joomla, e107, Drupal, phpNuke, insteed of writing Photoshop tutorials, that was main activity in first half of the year.

Thanks to all visitors and users for visiting, support and feedback via mail and comments!

Best regards,
Goran Grubic
