Green_K Theme is a 3 column theme for XOOPS 2.0.1.x series (including 2.0.1.5)

The package also includes 2 templates for the "system" module :

- system_redirect.html
- system_siteclosed.html

The theme uses 2 xoops codes to display the site's name and page's title so you don't need to edit anything

Theme can be viewed live [HERE](#)

Theme can be downloaded [HERE](#)

Enjoy it 😊
