I am pleased to announce the Grand Opening of a new XOOPS 2.0.15 wireframe website. 😊

### **The Wine Journal**

Please visit the site, register (or at least sign the Guest Map) and let me know what you think.

I am pretty certain that the new wireframe theme will work okay with your browser but if it doesn't please let me know. I am pleased to note that the css is w3c valid! 🧐

Enjoy!
