Release of Culex Dj rotator v1.0 - Modules

NEWS_PDF_AUTHOR: culex

NEWS_PDF_DATE: 2006/12/25 16:09:38

A new version of my first module is done. Now with some new features such as ability to change timezone and weather to use 24 hour / 12 hour format.

The script is running on www.culex.dk in the upper left corner as a demo
