

Friggin Right! - YAXS

NEWS\_PDF\_AUTHOR: nuker

NEWS\_PDF\_DATE: 2007/1/18 9:54:07

This is a site built to keep a group of friends together even though we're apart!

Many of us are spread out across Canada but remain close friends. We use XOOPS to create a community site where can share our thoughts and other fun stuff!

We've used some excellent modules to add lots of value to the site. Thanks to all the XOOPS and XOOPS module and themes developers for all your hard work!
