Parent Solo est le site collaboratif et communautaire, d'informations et de services aux familles monoparentales et familles recomposées : mamans seules, mais aussi pères seuls, parents seuls, beaux-pères/pouvoirs conjugués ou nouveaux conjugués de parents solos.

Bien que les mamans solos soient plus nombreuses à vivre avec leurs enfants, elles restent essentiellement seules à gérer seules au quotidien, moins nombreuses à vivre avec leurs, mais pas moins pleines pour leurs enfants, et aux parents "solitaires" qui vivent pas la solitude habituelle des enfants.

Bienvenue !
