[Emma Watson Online](#), an [Emma Watson](#) fan site using XOOPS, has been re-designed in anticipation of its 10,000th (activated) member. Thanks in part to XOOPS' flexible theme system, we've been able to easily able to put the new theme in place.

In addition, the flexibility of XOOPS has allowed us to extensively make the site search engine friendly with SEO URLs and meta tags. And not only is it more search engine friendly, its also more user friendly as well.
