

Moments, free theme by [xoopsdesign.com](https://xoopsdesign.com) - Themes

NEWS\_PDF\_AUTHOR: snow77

NEWS\_PDF\_DATE: 2007/2/8 0:07:07

Flexible, fast loading theme with 3 selectable stylesheets in the frontend (top right corner). Manageable design where you can replace the banner image and give the site the look you want, also the psd source files for the logo name and slogan texts are included.

[Click here to download](#)

Please login to access the download, if you are new to [xoopsdesign.com](https://xoopsdesign.com) please register and create an account first.

..

Tested on the following browsers:

IE6

IE7

Firefox 2

Opera 9.10

Netscape 8.1

Safari 2.0.4 (419.3)

Demo at <http://demo.xoopsdesign.com>

Theme name at demo: free\_xd\_moments

We also invite you to browse through our other selection of themes from the membership with the new public demo that was launched this week, these are only downloadable through subscription, please have in mind that the demo is for the free and commercial themes. The free themes will have the name "free" in them.
