sdsBlue Theme - Themes

NEWS_PDF_AUTHOR: Sublime

NEWS_PDF_DATE: 2007/2/12 0:50:00

Hello all! I'm pleased to announce the release of the sdsBlue theme from Sublime Design Studios.

I've done quite a few nuke themes in the past, but I wanted to try my hand at XOOPS and this is my first release for the CMS. Comments and questions are always welcome.

Download available HERE
The PSD for the logo portion of the header is available in the zip package.
