

2 Simplicity themes by SublimeDesign.org - Themes

NEWS_PDF_AUTHOR: Sublime

NEWS_PDF_DATE: 2007/2/14 22:55:22

We're glad to announce the release of two new themes from Sublime Design Studios entitled: Simplicity Black and Simplicity White.

Shots:

Both themes are W3C compliant and were tested with XOOPS 2.0.16, FireFox 2 and IE7.

As always, comments/questions are welcome.

Demo + Download available at [Sublime Design Studios](#)

Header PSD included in the zip package.
