

Norouz Theme, For Persian`s new year celebration - Themes

NEWS_PDF_AUTHOR: sinablack

NEWS_PDF_DATE: 2007/3/19 19:37:34

Hi, I'm proud to tell you that after some days working on a theme for these days(on 21 march is The Persian`s new year day. By The royal calendar the date would be The year 2566 and by Hegira shall be The year 1386) and

I as an Iranian,am honoured to tell you that finally we have made a theme concerning these days

The Norouz theme which is based on a theme by nuke platinum(noroz-theme).

Hereby you can see some shots of this theme:

And here is a shot from the redirecting page:

This theme based on three packages:

1-Totally English package

2-Totally Persian package

3-multi-language package for for website with both "rtl" and "ltr" Directions.

And you can get the theme packages:[by clicking here](#).
