

PHP5 and MYSQL5 Questionnaire results - Developer News

NEWS\_PDF\_AUTHOR: chippyash

NEWS\_PDF\_DATE: 2007/4/15 7:39:45

The results for this questionnaire are out. ([See here](#) for the original article, where you can still add your voice.)

In brief, some 70% of respondents are currently using PHP5 with the rest expecting to move over to it in the next 12 months. Only 40% of respondents are using MySQL5 and most of the others don't expect to upgrade for another 12 months.
