

Exnews theme upgrade - Themes

NEWS_PDF_AUTHOR: snow77

NEWS_PDF_DATE: 2007/5/8 2:29:57

This version of the Exnews theme is an update and optimization to the already existing one at <http://www.xoops.org> published by Exbanious

[We have upgraded it to use the center blocks and above and below module content and all the html and css was redone to fix several bugs it had.](#)

[It's a 4 column, flexible theme which can be adapted in many ways. Click on the screenshot to see the block positioning.](#)

[Download here](#)
