

Two cool xcgal hacks .. Pagetitle and RSS feed - Hacks

NEWS\_PDF\_AUTHOR: Anonymous

NEWS\_PDF\_DATE: 2007/5/13 11:36:33

ARABXOOPS is happy to announce you a new two cool hacks for xcgal module.

## xcgal Pagetitle hack ..improve the searchability of your site!

xcgal is one of the most popular galleries but it's use name of module as pagetitle for all pages, so this will lead to lose of most vistors and remember: google, yahoo and msn search engines are vistors too!!
