

104 Xoops themes gathered in one file! - Themes

NEWS_PDF_AUTHOR: Haakon

NEWS_PDF_DATE: 2002/8/13 13:53:11

Downloading all the separate themes from Gordon's In (<http://gordon.farsus.dk/>) took a while, so in order to make it easier for you, I unpacked the lot and zipped them into one package.

Download them at <http://www.smartsoftware.org> - I require registration to download. The file is almost 10 Mb in size.

Thanks go to Gordons for their excellent job in collecting and fixing these themes!
