

My\_eGallery for XOOPS 3.04 released - Modules

NEWS\_PDF\_AUTHOR: Boobtoob

NEWS\_PDF\_DATE: 2002/8/15 14:04:33

Ok, after working with some great guys on testing the beta, I'm releasing My\_eGallery for XOOPS into the wild. Please report any bugs to the forums. I'll try to find some time in the future to enhance this module with more features.

I updated this module for XOOPS out of necessity. You can download it [here](#).

Thanks for supporting XOOPS,  
Boobtoob
