Yogurt Photo Gallery RC1 - Modules

NEWS_PDF_AUTHOR: suico

NEWS_PDF_DATE: 2007/8/26 23:10:00

Yogurt Album version 1.0
By Marcello Brandão
GPL see XOOPS LICENSE
============================

This module features a simple personal image gallery for each user of your xoops site.
Very recommended for comunities sites where each user would like to show the world his pics.
The use of the module is very simple and the front end is clean and beatifull thanks to the
lightbox2 feature.

Credits
============================
The XOOPS Project, Lightbox2, Komeia
