<http://www.feuershow.biz> We are two fire performers, we get 95% of bookings any this website This Site is a one to one clon from my old site wiche was developed with an frameset. **Caution this site looks differently than the most xoops sites.**

The site is developed with Simple Xoops 0.7.9, I used the following Modules :

1. formulaire 3.31
2. wiwimod 0.8
3. myalbum 2.88
4. multiSite 1.13.4 for the english version

I hope you have fun to watch the pictures and the video from my site. skelink
