Mr. Theme Designs is proud to announce the release of MrBiz a vibrant 3-Column fixed width theme. That is both W3C XHTML + CSS 2.0 Compliant.

This theme has a 100% custom Imageset as well as a ridiculously gorgeous CBB 3.08 template set.

The best I can do is tell you to go [DEMO](#) it!

Download can be found at [Mr.Theme Designs](#) - Registration is required.

Be sure to clear your templates_c!

Please read the readme.

Header PSD and Button PSD Included!
