LDAP discussion forum has been opened - Hacks

NEWS_PDF_AUTHOR: hrac

NEWS_PDF_DATE: 2002/8/21 7:29:20

I've opened an LDAP discussion forum. Everyone welcomed that interested in LDAP support, and no need to register to post messages to forum.

You can reach forum here

Current LDAP support package is in beta state and current version is still 0.11. Because I didn't get too much feedback. You can download current version from here
