

New Web 2.0 theme: mrtechie - Themes

NEWS\_PDF\_AUTHOR: insraq

NEWS\_PDF\_DATE: 2007/10/3 4:40:37

I convert another theme from freecsstemplate.org (you can always find some fantastic themes there!)

Like usual, the demo can be found at [XOOPS Zen Garden China](#). Mrtechie should be the default theme and if it are not, you can choose mrtechie from sidebar.

Blog post : [\(more info\)](#)

Download: [here](#)

My other works of XOOPS theme can be found : [here](#)
