Please take a look at the new style of [Mr. Theme Designs](#)

It would be nice to receive some feedback on the theme. However, the truly special part about Mr. Theme is not really the theme...

Though I think it is pleasant 🍷

The real highlight about this site is the homogenization throughout.

I have implemented my design throughout my admin panel as well. It is a shame that I cannot let you in my admin panel to look for yourselves, however I can give you pics.
