Please take a look at the new style of Mr. Theme Designs

It would be nice to receive some feedback on the theme. However, the truly special part about Mr. Theme is not really the theme...

Though I think it is pleasant @

The real highlight about this site is the homogenization throughout.

I have implemented my design throughout my admin panel as well. It is a shame that I cannot let you in my admin panel to look for yourselves, however I can give you pics.
