## **Update kc0maz's membership status in the Project Council**

Considering kc0maz's constantly active support in the XOOPS community, in particularly leading the Coordination Team since July as well as acting as a non-voting member in the Project Council since August, the Project Council proposed to make kc0maz (Mr. Michael Clark) as a full member of the Project Council.

Now the Project Council is announcing the review status of kc0maz (Mr. Michael Clark) as a full member. The review status will be kept for one week starting from October 9th, 2007. All valid objections should be sent to [xoops-council@googlegroups.com](mailto:xoops-council@googlegroups.com) with specific reasons and evidence in case necessary.

All letters sent to XOOPS Project Council for the review will be published by the end of the review status.
