

Xoops Facebook Module - Modules

NEWS_PDF_AUTHOR: jeffgr

NEWS_PDF_DATE: 2007/10/21 2:27:27

A simple module to view your Facebook profile within your Xoops site through an .

[Download Module](#)

This module doesn't really do alot, it just 's Facebook, but it is handy if you want to check your Facebook profile without leaving your site or if you want your site visitors to login to Facebook, but stay on your site at the same time.
