Thanks a lot for all the help i have received from the xoops community members. Its because of this great cms and the community that i have been able to create this site [Making Destiny](#). Please review this site and let me know what else should i do to make it more useful for the visitors.

I m still looking for a video module that will play youtube as well as videos on my server, rest is almost final, so please let me know your views about the site.
