

## Xoops.org Website Upgraded During The Past Weekend - XOOPS

NEWS\_PDF\_AUTHOR: XoopsCouncil

NEWS\_PDF\_DATE: 2007/11/19 22:22:20

During the past weekend, the <http://www.xoops.org> website has been upgraded in the following areas:

PHP upgraded to latest 5.2.5 version.

Forum module has been upgraded to latest CBB 3.08.

Xoops Wiki module has been installed to serve as XOOPS Project documentation section.

Some bugfixes and code cleaning up.

The upgrade is not completed yet. Please be aware that the site will be closed for further update in case necessary.
