Xoops.org Website Upgraded During The Past Weekend - XOOPS

NEWS_PDF_AUTHOR: XoopsCouncil

NEWS_PDF_DATE: 2007/11/19 22:22:20

During the past weekend, the http://www.xoops.org website has been upgraded in the following areas:
PHP upgraded to latest 5.2.5 version.
Forum module has been upgraded to latest CBB 3.08.
Xoops Wiki module has been installed to serve as XOOPS Project documentation section.
Some bugfixes and code cleaning up.

The upgrade is not completed yet. Please be aware that the site will be closed for further update in case necessary.
