

XOOPS Project Documentation Section started - XOOPS

NEWS_PDF_AUTHOR: XoopsCouncil

NEWS_PDF_DATE: 2007/11/19 22:26:45

MediaWiki module has been installed on www.xoops.org to be the start of [XOOPS Project's Documentation Section](#).

The documentation section shall mainly cover:

- * Getting Started
- * Installation Guide
- * Operation Guide
- * XOOPS Development
- * Theme Design Guide
- * Module Development Guide
- * XOOPS Security
- * XOOPS Tips

It will also host documents for XOOPS Project teams and groups in case necessary.

How To Contribute

The XoopsWiki is intended to be a community-driven place to allow people build our documents. You can contribute to the documentation

by:

- * Adding and editing Wiki pages
- * Helping build a XOOPS Documentation or Wiki Team to maintain the XoopsWiki on a regular base
- * Providing useful resources
- * Helping people using Wiki
