

XOOPS Documentation Team Forum on xoops.org - XOOPS

NEWS_PDF_AUTHOR: XoopsCouncil

NEWS_PDF_DATE: 2007/12/28 22:08:49

Upon BlueStocking's request, a forum dedicated to XOOPS Documentation Team (temporary) is created on xoops.org.

BlueStocking has been a long term active contributor to XOOPS documentation, on XOOPS documents and Wiki.

Recently she starts to build a team for enforcing XOOPS documentation construction.

The Project Council supports the team's work and hope they will build a widely involved XOOPS Documentation Team.
