

E\_Cards 0.2 - Modules

NEWS\_PDF\_AUTHOR: inconnue\_team

NEWS\_PDF\_DATE: 2002/9/5 2:50:54

The new [Ecards](#) version went out: In the menu corrections of small bugs and maintaining the module is multilanguage, at the moment French and english!

If there are translators of the other countries sent I a mail with the file joined to the following address: [kotshiro@hotmail.com](mailto:kotshiro@hotmail.com)
