

Incontent 3.0.0 - Modules

NEWS\_PDF\_AUTHOR: Anonymous

NEWS\_PDF\_DATE: 2002/9/8 19:17:07

The last release of incontent is available on <http://www.thenetspace.com> and on the xoops site.

With incontent you can include easily and automatically html content in the nice xoops design.

Sorry but the manual is not translated in english but it will come soon..
