A new module: it is a module presenting of the small plays in flash but the advantage it is that the plays are on the waiters thus + fast... There are also the mutilanguage for the French moment and english..

if other translators Please , warn me by mail with the file translates with kotshiro@hotmail.com
You can see it [HeRe](#)
and chopé here [FLaSh_gAmEs](#) leave a small word that will give pleasure thank you
