

myBooks v. 0.3.0 - XOOPS

NEWS\_PDF\_AUTHOR: eevans

NEWS\_PDF\_DATE: 2002/9/12 23:47:58

I am continuing to develop the myBooks module. It is currently a work in progress with some of the features not fully implemented.

When it is finished, the myBooks module will be a fully functional and configurable ebook module for your Xoops site. You can download a copy of v 0.3.0 from my website, [here](#).
